

THE GOLDWORK GUILD

To encourage, teach and keep alive, the art of Goldwork in all its forms

All are welcome, whether absolute beginner or expert, from the designer to those wanting to learn more. The annual Membership includes the Guild's magazine, which is published twice yearly. Most back issues of the magazines are currently available and are filled with various articles on goldwork, techniques, tips, reference material etc. The Guild also organises visits to museums and other places of interest as well as an exhibition every 2 – 3 years. We also have monthly group meetings where members can share a working day together, attempt various challenges and purchase materials for their own projects.
